

CITY NEWS IN BRIEF.

Mr. C. Bargamin leaves this morning for Philadelphia to take charge of the exhibit at the Exposition, of the Newport News Manufacturing Company.

Dr. Noah Jackson will return this morning from a trip to Philadelphia. Mr. C. C. Kent, Jr., general secretary of the local Y. M. C. A., and Mr. L. A. Coulter, state secretary of the organization, left last evening for Tangier Island, where they will deliver addresses in the interest of the work for young men in that section.

Miss Mary Hamilton, of Huntington, W. Va., is visiting her uncle, Mr. J. M. Hamilton, No. 118 Twenty-ninth street. Rev. John O'Neill, of Peekskill, N. Y., who has been the guest of Rev. Dr. Sheppard this week, left last night for his home. He has been in the South and stopped here for a few days en route home.

Mr. Arthur Lee, assistant cashier of the First National Bank left yesterday afternoon for New York and Boston to be present at the Dewey reception in the metropolis and also to witness the international yacht races. He will be absent about two weeks.

Were at the Hospital.

Mrs. Ashby Burke, of this city, who, as reported in the Daily Press, was in St. Vincent's Hospital, Norfolk, when that institution caught fire, was removed to No. 297 Fenchurch street, where she was tenderly cared for until the arrival of her husband from this city.

Mr. Burke brought his wife back to this city Thursday afternoon and she is now at their home on Twenty-sixth street.

Miss Maggie Green, also of this city, was a patient at the hospital. She was removed to a nearby house and cared for by the occupants until the arrival of a nurse from the hospital.

Dr. Reed and Jake Bennett, both of Phoebus, were under treatment at the hospital. The former was removed to the residence of Dr. Leigh.

Postponed One Day.

The date of the smoker to be given under the auspices of the Central Labor Union of this city has been changed from next Wednesday to Thursday. It will be held at Moss' Hall on Twenty-eighth street. A change of date was made necessary owing to the inability of the Labor Union to secure the hall on Wednesday.

This smoker promises to be a big success. All of the labor men in the city are invited to be present and the cigars, etc., which were left over from the list of prizes collected for the Labor Day contests will be consumed.

The Labor Union reports the celebration a big success financially. Over \$60, which was realized from the ball, is now in the treasurer's hands.
